Foreword.....

We are proud to present the Aurora of 1957-Rice Lake High School, Rice Lake, Wisconsin.

In compiling the Aurora we have tried to follow this Four Way Test (copyright 1946, Rotary International).

(1) Is it the truth?
(2) Is it fair to all concerned?
(3) Will it build good will and friendships?
(4) Will it be beneficial to all concerned?

We hope you will apply these to your student life.

STUDENT COUNCIL

The Student Council is the official group through which students may voice their opinions and have a part in the administration of our school. The Council promotes harmonious relations between the administration and the student body.

The Student Council has been given a variety of responsibilities by the administration. The chief purpose is to act as a sounding board between the student body and the faculty, and to attempt to settle any questions which may arise. The Council makes up the school calendar, assigns the concessions for games and tournaments held here, chooses assembly programs, and has charge of Homecoming and the Basketball Frolic. Also under the supervision of the Council is the award system, honor day, the Junior Red Cross, and the March of Dimes drives.

This year's Council, in addition to its other duties, took on the project of purchasing a television set which is located in the cafeteria. This project is one that will be appreicated by the many students to be here in the coming years.

THE FUTURE HOMEMAKERS OF AMERICA

The aim of the F.H.A. Club is "learning to live better today in order that our lives and those of our families may live better tomorrow."

The president was Lynda Nelson, the vice-president was Marlene Hoegger, the secretary was Bonnie Starkey, the treasurer was Betty Richter, historian Carole Roux, parliamentarian Arlene Ackerson. The advisors for the year were Miss Brimer and Miss Vance.

The F.H.A. has had a very active year. The F.H.A. had a hobo party with the F.F.A., a homecoming float, and attended the District Rally at Hayward. They raised money by bake sales and selling Christmas cards. The main project voted by the club for the year was to equip and furnish the living and dining area in the Home Economic department.

SENIOR CLASS HISTORY

As we look back on these four wonderful years of high school, many fond memories come back to us and it seems like only yesterday that we were Freshmen, entering the old building in September, 1953.

In that Freshman year we discovered that along with many extra-curricular activities there was still plenty of studying. Like all Freshmen, we took part in many activities.

We took pride in electing class officers, which were: President, Shirley Nichols; Vice-President, David Olson; Secretary-Treasurer, Jill Ritchie.

Our Homecoming float took third place.

The two social events that we sponsored were the two class parties, which were fun and well attended.

By the time we were Sophomores, we got more used to the routine and settled down to enjoying our last year in the old building. Even though the halls were crowded and things weren't new, it was always friendly, homey and full of good times.

As class officers we elected: President, Steve Jensen; Vice-President, Chuck Knutson; Secretary-Treasurer, Jill Ritchie.

The two social events--the Hobo Party in the Fall and a dress-up party in the Spring--were real successes, to say the least.

Time certainly flies! We found ourselves in the big rush of being Juniors and in a new school on top of it. It took a while to get used to the long halls and the slight inconvenience of a not-quite-finished school, but we eventually did.

Class officers were: President, Hank Ackerson; Vice-President, John Offord; Secretary-Treasurer, Kathy Hodgson.

We ordered our class rings, and like all Juniors, nearly wore them out looking at them when they finally came.

Our big event of the year was the Prom, which we financed by selling pins and sponsoring dances after the games. Winning first place with our Homecoming float also helped finance it. The theme we chose was "South Pacific." Decorating the big, new gym was quite a problem, but under Miss Brown's advising we formed committees and got right to work. After much work, we finally finished it, but what a rush the last day--remember? On the night of April 29, we saw a truly beautiful Prom, well worth the work put on it.

Where did time go? Seniors already--with so much to do. We got measured for our caps and gowns, ordered announcements, swapped pictures, and planned our futures.

Our class officers were: President, Romaine Quinn; Vice-President, Bruce Reynolds; Secretary-Treasurer, Pat Wenner.

As social events, we sponsored a class party, and our Homecoming float won second place.

Senior Banquet, Baccalaureate, and Commencement put a close to our Senior year and high school days.

Although there were some hardships and difficulties during these four years our good times and fond memories have far out-weighed them, and we will always remember R.L.H.S. days.

Debate

M. McNamara, D. Kringle, M. Koepp, S. Drew, D. Erickson, J. Gerland, J. Weisenberger, N. Hogan, Miss Raawe

Miss Raawe was the debate coach this year. This year's teams consisted of: Judy Weisenberger and Judy Gerland on the affirmative A team, Mary Kay McNamara and Nancy Hogan on the negative A team. Marilyn Koepp, Dolores Kringle, Sandra Drew, and Darlene Erikson making up the B team. They participated in debate competitions at Eau Claire State College and Chippewa Falls. The question debated this year was: Resolved- That the Federal Government should support farm prices at not less than 90% of parity.

The forensics elimination contest was held on March 13th and two representatives from each division were selected to go to Eau Claire. Humorous and serious declamations, orations, extemporaneous speaking, 4-minute speeches, and interpretive reading were the divisions entered.

The Nurse's Club, in its third year of activity, had a busy year. Officers were: President, Florence Dahlstrom; Vice-President, Carol Wenner; Secretary, Jackie Brown; Treasurer, Janet Lendle and Historian. Judy Weisenberger. The seniors were all given help on their applications to nursing schools and colleges by the able advisor, Mrs. Maser. Meetings were filled with talks from people in all fields of the medical profession. Plans were made for spring trips to several hospitals.

Representatives for each class were Pat Wenner, Seniors; Sandra Gerland, Juniors; Kay Luber, Sophomores; and Mary Jo Hanson, Freshmen.

The purpose of the Drama Club is to present fine plays before audiences. It gives its members a chance to learn the how's and why's of the theater. This past year the Drama Club presented two fine one act plays. First of all, we were entertained by "The Bond Between," a drama which was also presented in a contest at Eau Claire where it received an "A" rating.

"The Farce of the Good Master Patelin." a clever comedy, was enjoyed by all the student body; this comedy produced laughter that rang through the halls.

Well we finally got it done! Lots of hard work, but also lots of fun! In the "Aurora" you will find 628 individual pictures, 143 group and snap pictures, 4 pages of art and 10,946 words. All of that took us approximately 540 hours. That is why you see us pictured as you do on this page!

Our photography boys in action! We didn't dry our prints we had to "Friess" them. Franklin is blowing up a bunch of pictures, while Larry is reducing another batch. Mr. Ritzinger advised this group but when the picture was taken he was in the hospital.

The editors of the "Aurora" in some typical work scenes. Nancy set the "Price" of our annual. Judy is bandaging one of our "Bleed" pictures. Janet was nice enough to "Lend" (Le) her talents to the verbiage of the book. Shirley Nichols is drawing one of her sketches. Which sketch is she drawing? Her breath of course! Nancy selling a subscription to one of our willing subscribers. Sandy cheering us on to get the final copy in. Lois is praying we make our deadline. Carol tripped over the typewriter so easily "$(%)_)_'#' " " _$'%(%)_)DLGML. Mr. Thomas advised us. Where is he? Out playing golf of course!

FIRE AND ICE

Sandi Melin and Foster Friess reigned over the '57 prom. They were attended by Nancy Hogan and Hank Ackerson, Marlene Hoegger and Tom Davison, Peggy Pederson and Tom Hugdahl. The crown-bearers were Lynette Gerland and Craig Gibbs.

As we look back on our prom of '57 this exciting moment is now a fond memory.

Dear Darlene,

We haven't known each other very long but we sure made up for lost time didn't we? I hope our friendship lasts for a long, long time. If things go like we want them to we'll really have a ball this summer. (Especially with Dick and Bill scheming the way they do.)

This summer will really have a good time. I can hardly wait. It really helps when there's someone around to talk to and tell secrets and all. You always seemed to understand. (Maybe it's because our parents are alike.) Your friendship really has been wonderful. It helped me in many ways. (Especia when it came to Dick.)

I guess I'd better not write anymore but you know what I mean. You can read between the lines.

I hope you and Bill go together for a long, long time. We can have more good times then.

All the luck in the world to the sweetest nicest gal, I know.

Your friend always,

Kay.

Darlene -

Darlene,
It was nice being in gym with you for a semester. Too bad we didn't have more classes together. I hope I see you this summer

Darlene,
It sure has been fun getting to know you better this year. You're going to have to go for a ride with me in Ann's car sometime this summer like we did last summer. I can hardly wait until you're free sometime this summer. I'll tell you who them guys are as soon as you're free, & you will sure be surprised. Hope to see you at the Rink some Sunday night alone. Also take me for a ride in that big studebaker.
Love
Dick
